

The American Library celebrated its 60-year anniversary of operations in New Delhi with a reception (below) and an open house party (bottom left) on April 27-28, plus discussions, quizzes, discount sales on books, special membership offers combined with SPAN magazine subscriptions, and even the waiving of fines on overdue books for members who brought a friend to the fun. Bottom right: Minister Counselor for Public Affairs Larry Schwartz, former Attorney General of India Soli Sorabjee and Chargé d'Affaires Peter G. Kaestner lighting the lamp at the reception.
